

CURRICULUM VITAE

Name: Dr. Seto Wing Hong.

Position: Co-Director, WHO Collaborating Centre for Infectious Disease
Epidemiology and Control, School of Public Health, HKU, Hong Kong

Clinical Professor (hon) School of Public Health, HKU

Consultant Advisor (Hon), for Quality and Safety, HKU Shenzhen
Hospital

Consultant Microbiologist, Hong Kong Baptist Hospital, Hong Kong.

Previous Positions in Hospital Authority:

Chief Infection Control Officer, Hospital Authority, Hong Kong

Cluster Director, Department of Quality and Risk Management and
Department of Microbiology, Queen Mary Hospital and Hong Kong West
Cluster, Hospital Authority

Chief of Service, Department of Microbiology, Queen Mary Hospital,
Hospital Authority

Honorary Positions Conferred:

Consultant for Hospital Infection (Hon), People's Liberation Army, PRC
Appointed by PLA Medical Science & Technology Committee.

Professor(Hon) in Infection Control, Military Postgraduate Medical College,
PLA General Hospital (301), Beijing

Professor(Hon), Hunan Medical University, Xiang Ya Hospital, Changsha

Professor(Hon), Department of Microbiology and CTC, University of Hong Kong.

Adjunct Professor(Hon), School of Health Science, The Hong Kong Polytechnic University

Visiting Professor(Hon), School of Community Medicine, Health Services Management and Medical Education, Faculty of Medicine, University of New South Wales, Australia

Visiting Professor and Hon Consultant, Shanghai 2nd Medical University, Rui Jin Hospital, Shanghai, China

Visiting Professor, Shanghai 1st Medical University, Chong Shan Hospital, Shanghai.

Visiting Professor, West China School of Clinical Medicine, Sichuan, China.

F1000Prime Faculty Member since 22nd April 2014

Qualifications: (with dates):

MB,BS (1972)
MRCP (UK) (1981)
MRCPI (1981)
MRCpath (1984)
FRCPath (1997)
FHKCPath (1992) - Founding Fellow.
FHKAM (Pathology) [1994] - Founding Fellow.
American Board Certified in Healthcare Quality [CPHQ] 1996.

Other relevant training:

1. Course in Infection Control, Centers for Disease Control, Atlanta, Georgia, USA. (1985)
2. Course on CQI for Medical Staff Leadership and TEAM Approach. Joint Commission on Accreditation of Healthcare Organization, Chicago, USA (June 1994).
3. Course on Patient Safety Training. National Center for Patient Safety, Department of Veterans Affairs, USA (April, 2002).

Clinical Attachments:

1. Honorary Senior Registrar & Lecturer: St. Thomas' Hospital and Medical School (June, July 1981).
2. Attachment, Division of Infectious Disease, Stanford Medical Centre, Stanford University, USA (1981).
3. Attachment, Department of Microbiology, the London Hospital, Whitechapel (1984).

Awards in Medical Field:

1. Best Paper Award. Hospital Authority Convention, 1994
2. Hospital Authority Research Sponsorships for CQI 1994.
3. Outstanding Team Award of Hospital Authority (Team Leader)- 1999
4. Outstanding Team Award of Hospital Authority (Team member)- 2000
5. Special SARS Commendation Medal – 2003
6. Hong Kong West Gold Badge Award for SARS – 2003
7. Bronze Bauhinia Star Award – 2004
8. Silver Bauhinia Star Award – 2011
9. Distinguished International Fellow of the Infection Control Association of China – 2012
10. For an outstanding researcher in the field of infectious diseases, clinical microbiology and antimicrobial chemotherapy.
28th International Congress of Chemotherapy and Infection (ICC) &
14th Asia-Pacific Congress of Clinical Microbiology and Infection (APCCMI)
- 2013
11. In recognition of extraordinary service to the ICS (International Society of Chemotherapy).
ISC Meritorious Membership is conferred upon
At the 28th International Congress of Chemotherapy and Infection 5th – 8th
June 2013, Yokohama, Japan

12. IFIC Martin S. Favero Award – 2015

Awarded for lifetime contribution to global infection control at the 28th IFIC Conference in New Delhi, India (March 22nd to 24th)

13. The 100 most influential people in Hong Kong on the Debrett's Hong Kong 100 lists in Science and Medicine Community (was published exclusively in association with the South China Morning Post) - 2015

14. China Infection Control lifetime contribution Award – 2016
Awarded at Shanghai International Forum on Infection Control

15. Outstanding Contribution Award - 2016
Awarded Global Chinese Association of Clinical Microbiology and Infectious Disease

National and International Awards and Medals

1. Special SARS Commendation Medal – 2003

2. Bronze Bauhinia Star Award, Hong Kong Special Administrative Region, People's Republic of China – 2004

3. Silver Bauhinia Star Award, Hong Kong Special Administrative Region, People's Republic of China – 2011

4. The Debrett's 100 Hong Kong Award, 2015 – Debrett's of London (founded 1769) recognizes the most influential and inspiring people living and working in Hong Kong today.

Membership of Certification Board in USA:

Examination Committee of Healthcare Quality Certification Board, USA,
1998 – 2001

Participation in business studies and education:

Center for Asian Business Cases (collaboration of Harvard Business School and University of Hong Kong):

Continuous Quality Improvement Initiatives at Queen Mary Hospital (2000)

Chairman of PKKI certificate course for “Essentials in Healthcare Quality” by University of Hong Kong, 2000 – 2009.

Membership of Editorial Boards of International Peer Review Journals:

1. ***Infection Control and Hospital Epidemiology, 1996 - 2008.***
Section Editor: Beyond Infection Control: The New Hospital Epidemiology
Official Journal of Society of Healthcare Epidemiology of America
2. ***American Journal of Infection Control, 1996 - 2008.***

5. ***Journal of Global Antimicrobial Resistance – 2012.***
Chief Editor: I. Gould, Office: Aberdeen, UK.
Official Journal of International Society of Chemotherapy and Asia-Pacific
Society of Clinical Microbiology and Infection

Membership of Editorial Boards of Regional Journals:

Journal of Disease Management. Medimedia Asia.

Participation in World Health Organization Activities:

1. Temporary Consultant and Trainer, WHO Antimicrobial Resistance Monitoring programme, 1996.
2. Working Group member: Framework document for WHO Global Strategy for the Containment of Antimicrobial Resistance, 2001.

3. National Coordinator for "Containment for Regional Certification to be Polio Free" in 2000.
4. Committee member for 1st International Consultation on Nosocomial and Health Care Associated Infections in Urology, 2000.
5. Temporary Consultant and Core Group Member for 1st Patient Safety Challenge on Hand Hygiene for WHO 2004 to present..
6. Chairman of Working Group for WHO Infection Prevention and Control Guidelines for Acute Respiratory Diseases in Health Care. 2006 to present.
7. Core group member of 3rd Patient Safety Challenge, WHO, 2008 to present.
8. Emergency Committee Member for the 1st International Health Regulations Committee of WHO on H1N1 Pandemic, 2005 to 2010.
9. Chairman, Committee of Systematic Review on Natural Ventilation Guideline, 2007.
10. Temporary Consultant, Pandemic Program Review for Thailand, 2009.
11. Chairman, WHO Hand Hygiene Celebration, 2009 – 2010.
12. Technical Consultative Group member, Global Infection Prevention and Control Network of WHO, 2009 to present.

Important Professional Societies Memberships:

1. President, Asian Pacific Society of Infection Control, 1998 – 2009.
2. President, Asia Pacific Society of Healthcare Quality, 2000 to present.
3. Secretary General, Western Pacific Society for Chemotherapy, 2002 – 2008.
4. Member – Expert Committee in Microbiology, Section on Laboratory Science, Chinese Medical Association, Feb. 2002 to present.
5. Executive Committee Member, International Society of Chemotherapy, 2002 to present.
6. The Hong Kong College of Pathologists – Counsel Member (Microbiology) 1992 -1993; Chief Examiner for Microbiology, 1993 – 1996.
7. Examiner in Microbiology for The Royal College of Pathologists of Australasia, 1995 to present.

8. First Chairman, Global Chinese Association of Clinical Microbiology and Infectious Diseases, 2007.
9. Executive Committee, Global Chinese Association of Clinical Microbiology and Infectious Diseases, 2007 to present.
10. President, Western Pacific Society for Chemotherapy, 2008 to 2012.
11. Committee Member, Interscience Conference on Antimicrobial Agents and Chemotherapy, 2009 to present.

Committees in Hospital Authority, Department of Health and Government:

1. Member, Drug Utilization Review Committee, HA (1992 - 2001).
2. Member, Task Group on Management of Medical Waste (1993/94).
3. Member, Working Group for Chemical Waste Disposal (1994).
4. Member, HA Coordinating Committee for Pathology (1993 - 2005).
5. Member, Programme Committee, HA Convention 1994.
6. Director, Haven of Hope Hospital (1987 - 1997)
7. Member, Subcommittee for Clinical Indicators for Microbiology, 1994.
8. Member, Hospital Infection Control Task Force, (1995-2003)
9. Member, Central Committee for Infectious Diseases, 2004.
10. Member, Working Group on AIDS Management in HA Hospitals, 1994.
11. Commissioning Committee for Northern District Hospital and Tseung Kwan O Hospital. 1995/96
12. Expert Group on Avian Flu, Department of Health, 1997 – 2003.
13. Scientific Committee for AIDS foundation, 2002 – 2005.
14. Chairman of Scientific Committee for Infection Control, Centre for Health Protection, 2004 - 2010.
15. Chairman, Committee for Systematic Review on Natural Ventilation Guideline, 2007.
16. Chairman, Task Force on Infection Control, 2008-2010.
17. Chairman, Accreditation Committee for Standards, Hong Kong, 2009-2010.
18. Member, Committee on Standards, Australian Council on Healthcare Standards International, 2009-2010.
19. Steering Committee on Epidemiological Study about H5 Positive Wild Birds in Selected Locations in Hong Kong
20. Chairman, Prevention of Legionnaires' Disease Committee, Development Bureau, 2012-present.

Invited Speaker for International Conferences:

Invited speaker for over 90 international conferences including Keynote Lecture for European Congress of Clinical Microbiology and Infectious Diseases (Denmark 2005), The Graham Ayliffe Lecture (UK 2006), WHO Patient Safety Challenge Lecture (Ministry of Health, Malaysia and Bangladesh, 2006) and Hand Hygiene Lecture (Ministry of Health, China). Details on all lectures available on request.
